

## SPEED EVENT NUMBERS

Per current West Region Operating Rules and Procedures, the West Region will again administer a program under which “permanent” entrant numbers may be assigned to those competitors who desire a “permanent” **regional** entrant number. Competitors must be current NCCC members. Requests for a permanent number will be administered as follows:

January 15<sup>th</sup> through February 15<sup>th</sup>- You may request the same permanent number you had the previous year. You have priority. After February 15<sup>th</sup> – you may request a number with the understanding that numbers will be assigned on a first come first serve basis. Kathy Brisbois, West Region Competition Director, will be collecting your application and fees.

**Proceeds for this program go to support the West Region Scholarship Fund.**

Entrants must send a request for a number assignment to Kathy Brisbois. Initial requests must be postmarked **no earlier than** January 15 and no later than February 15. Each club Governor should provide the proper form (included) to his/her members.

2. Fifteen dollars (\$15.00) must accompany each request.
3. The numbers 1 through 999 shall be available.
4. Numbers shall be assigned by the RCD, or his designee, as requested on an annual basis following receipt of all requests postmarked as per Items 1 and 2. Members who held a competition number from the previous year will be granted priority to that same number upon receipt of the proper form and fee. NCCC membership must be maintained.

In the case of more than one request for the same number, the following procedure shall be used: First choice shall go to the earliest postmark (but no earlier than January 15th). In the case of request for the same number postmarked on the same day, the RCD shall conduct a random drawing.

6. No later than March 15th, the RCD or his designee shall send a confirmation (e-mail) to each NCCC member requesting a number and a list of all currently assigned numbers to each Governor of the West Region.
