VOLUME 1 - NUMBER 1

Group Picture of the Corvette Club of Iowa

Iowa Club, Members Take Lead In National Council Competition

In 1965 the National Council Competition program was initiated. This provided uniform and fair standards under which competition events may be sponsored by individual clubs. It provides an opportunity for an amateur driver with minimal equipment to gain national recognition for his driving ability, and an opportunity for a club to establish itself as a top flight organization.

Clubs receive points toward the championship by sponsoring events and by having members attend other club's events. Individual points are awarded on the basis of event finishes.

When all the results had been tabulated, Royal Young from the Corvette Club of Iowa had walked off with top individual honors, Royal competed in ten

events all of which were of the gymkhana, slalom or time trial type. Out of a possible 100 points he accumulated 83.

For the best club honors, the Corvette Club of Iowa came out on top. CCI can be best described as extremely active. They sponsored ten events and participated actively in area club events. The majority of their events were autocrosses: or could best be described as scaled down races. All were held in shopping center parking lots and ranged from one to one and one half miles in length. When winter sets in they move to the ice or hold rallies.

CCI is also active in the community

very formidable C/P cars. This can be summed up as—those Stingers really run.

The entire event was very well run, making for an enjoyable Sunday.

A/P and B/P Race

- | | | | |
|---|---|----|-----------------------|
| 1 | A | 77 | Cobra 427 - Lowder |
| 2 | A | 13 | Cobra 427 - Payne |
| 3 | A | 11 | Cobra 427 - Hurt |
| 4 | B | 42 | Vet 327 - Yenko |
| 5 | A | 19 | Cobra 427 - Stratton |
| 6 | A | 10 | Cobra 427 - Bienerth |
| 7 | B | 14 | Must. GT 350 - Gerber |

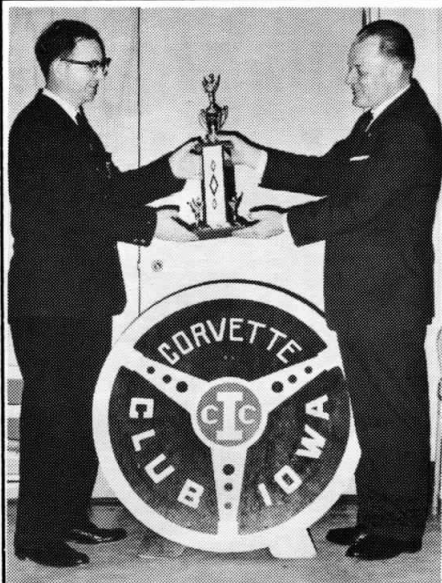

C, D, E, F/SR Race

- | | | | |
|---|---|----|--------------------------|
| 1 | E | 57 | Elva-BMW - Dietrich |
| 2 | C | 62 | Cooper-Ford - Kumnick |
| 3 | E | 56 | Porsche 6 - Cushman |
| 4 | C | 64 | McKee Mk II - Clusserath |
| 5 | C | 31 | R.S.A. Cooper - Sinn |

TECH TIDBITS

(Des Moines). Their favorite charity is the Easter Seal Center for which they donated the proceeds from a special event. CCI has also been known to have numerous social events.

The National Council is proud to have CCI as a member. Our hats off to an exemplary club that has done much in the past and we know will do much in the future.

THANKS

A "Thank You" is just a word or thought. To tell friends they mean a lot. It doesn't hurt or cost a thing. But maybe it will brighten someone's day. Remember to say "Thank You" in some small way.

Phyllis Henning
