It was decided that it should be emphasized to the Governors that sanction requests for 2019 will be done at the November Governors meeting. The RE agreed to notify the Governors of their need to be at this meeting in order to identify their sanction date requests for 2019. Those Governors in attendance will be given preference on sanction date requests.

- The RE initiated discussion on the handling of the proxy Governor votes. After discussion by the Governors, it was determined that the RE will be responsible for the control of proxy votes.
- It was stated that Google Chrome is trying to make websites more secure. In order to do this, clubs or regions can purchase a program for \$119 for two years that will accomplish this end.
